## The Truth About Bachelor Girls

★★ **PLUS** ★★

**FULL COLOR

FAT SHANE

*For a long time, the standards for judging foreign beauties have been those set by the inimitable Greta Garbo. Most beauties so judged are found wanting, but the latest contender for the Garbo crown, Nadia Lias seems to measure up just fine. As a matter of fact, she even out-measures Greta!*

*"I want to be alone."*  
Well, maybe Greta got her wish, but it's not likely a girl with Nadia's looks will.

# TYPE...

*... that's lithe Lynn Carol, who graduated as a philosophy major from college. Any guy would be thrilled to listen to one of her dissertations!*

Lynn explained her serious poses to us:  
"It's not that I have trouble smiling . . .

"It's just that on this particular day  
I had been reading Fyodor Dostoevski . . .

"And although I wanted badly to smile  
for the camera, I became too depressed."

# Bist

*This novelty tune that swept the nation two decades back was just an unusual way of saying someone was grand. And what better words are there to describe Pat Shane? Our cover gal has a few catchy ideas of her own about crashing the big time of Tin Pan Alley!*

ELAINE RAY

# EADIE IS THE LADY

*Who was that lady  
you wish we saw you  
with last night?*

*If you're anything  
like us, the female  
in question is eye-  
filling Eadie Hutton,  
Denver's gift to  
the world of beauty.  
Happy dreams, pal!*

A black and white photograph of a woman, Carrie Wyatt, posing in a seductive manner. She is topless, with her hair styled in voluminous waves. She is wearing fishnet stockings and a white fur stole draped over her shoulders. She is kneeling on a light-colored surface, looking directly at the camera with a slight smile. The background is dark and indistinct.

# INSOUCIANCE

*This long word, in short, means to be free from concern or worry, and it fits Carrie Wyatt to a tee-hee. Carefree Carrie's floating on Cloud 9 for good reason: She's just landed a dream dancing contract — which makes our beauty very carefree indeed!*
